

Anti-Corruption Training

There is an emerging global consensus that fighting corruption and building good governance are essential for the development of people, markets, and nations

Andrew S. Natsios

Administrator

U.S. Agency for International Development

It is not enough anymore to say ‘we are against corruption’, international project managers need to show their commitment. That is why MEFielding offers premium quality anti-corruption training with trainers that have prior donor training experience

Anti-Corruption Training

What do we offer-

A choice of three day courses on anti-corruption at a cost of \$2000 per day.

The courses are Anti-Corruption for,
Auditors, internal, external and Government
Finance staff

Suppliers and NGOs

Procurement staff, private and public

However we recommend a package, see below

Why use MEFielding? Our philosophy is to build our courses on practical knowledge gained actually doing the work in the real world. All courses therefore will be taught by tutors with practical experience and who bring real life problem solving to their classrooms
